Ongoing Support

Woodlands Hospice receives support and funding from a wide variety of local people and businesses. This page acknowledges their valued ongoing support!

To Gail Hall and family and friends for the Cabaret Dinner organised in November 2009 and for all of the support shown to Woodlands Hospice in organising Fashion Shows for the past few years - THANK YOU!

We would also like to thank Jean and Brian Davies who have donated a stay in their apartment in Marbella as a raffle prize every year for the last seven years!!!!

As well as donating this wonderful raffle prize, Jean and Brian will rent the apartment to Woodlands Hospice supporters at a discount (subject to availability). Please contact [Jean and Brian](#) for more information and for dates
