

About the Lottery

Whether your number comes up or not, your money goes to one great cause, right here in Liverpool – all profits go to patient care.

Woodlands Hospice Lottery plays a vital part in our fundraising with all profits from the lottery going directly to the Hospice. Your £1 really can make a difference to the lives of our patients and those who care for them.

How It Works

Each entry in the lottery costs just £1. When you register as a member, you will be sent your own unique number which will be entered into the draw for you every week. The lottery computer randomly chooses 50 winners every Friday. You don't even have to claim your prizes as cheques are sent out automatically following each draw.

All the prizes are won each week – there are no shared prizes or rollovers!!

Whether your number comes up or not, your money goes to one great cause, right here in Liverpool – all profits go to patient care.

The success of the Lottery in recent years has created an important, predictable stream of income for the Hospice - currently some £60,000 each year and growing!
