

## **Volunteering Contact Form**

Thank you for your interest in becoming a volunteer for Woodlands Hospice, every application is very important to us.

Due to a very successful recruitment drive this last 6 months we are currently still processing the considerable number of applications that we received and have a programme of induction running for those applicants until the early part of next year.

We are therefore not able to offer an opportunity at this stage but would welcome your application when we open the process again in the early Spring of next year.

If you would like to leave your contact details we will add you to the list and contact you at that time. Thank you for your interest!

Please fill in your contact details on the form below and we will get in touch with you when we have processed our existing applications
