

Crochet Pattern

Worry Worm

You will need:

Any yarn

Any hook

Chain 30

Slip Stitch into the 2nd chain from your hook, then place 4 single crochet stitches into each of the chains until you have one chain remaining.

Into the very last chain, work 10 double crochet stitches. Slip Stitch into the same chain, chain 1, cut your yarn and pull it through the chain you just made.

Pull it tight and then weave in your ends!

To add the eyes, you can use self-adhesive googly eyes OR embroider them using some black yarn (French knots are a great alternative).

Your Worry Worm is complete!
