Remember a loved one by dedicating a meaningful Forget-me-not flower and help Woodlands Hospice continue improving the lives of our patients and supporting their families.

Choose from either a striking steel bloom to display in your own garden or a field flower in our virtual meadow:

Handcrafted steel Forget-me-not

An enchanting way of remembering someone special to you are these timeless, 36cm-high flowers. After dedicating your metal Forget-me-not, you'll receive a thank you letter along with a certificate of dedication through the post.

Our popular Forget-me-not Campaign will still take place this year with the flowers going on display in the hospice gardens throughout the summer. Our collection week-end will take place at the beginning of August. Our website and social media pages will be kept up-to-date should any changes to these dates occur. Simply complete the form opposite and return to us or visit:

Dedicate a bloom in our virtual meadow – including a photo and message – and help turn it into a beautiful blue haze. Just visit **visufund.com/forget-me-not-campaign-2022**.

Whichever option you choose, this simple act of remembering a loved one means you'll be supporting Woodlands Hospice and those our charity cares for during such difficult times in their lives.

Our Forget-me-not Campaign is being supported by the family of Allan Parker. Allan's wife Pat and her 3 grandchildren, Scarlett (7), Lucas (6) and Amber (3) have continued their support for Woodlands since Allan's loss in November 2019 after a 5-and-a-half-year battle with Motor Neurone Disease.

Pat recalls from the first week of Allan's diagnosis how Woodlands took them as a family under their wings never leaving their sides throughout that journey and beyond. Pat could not speak more highly of all the staff and volunteers saying how incredible they were. Pat and Allan made some wonderful friendships not only with the staff but also other patients and she says she can't thank the hospice enough, describing them as a "GIANT HUG of holistic support, love, care, compassion and friendship." She says everyone at Woodlands will be in their hearts forever.
