

Remember a loved one with a beautiful Forget-me-not flower and help your local hospice to flourish.

We would like to offer you the opportunity to celebrate a loved one by dedicating one of our beautiful Forget-me-not flowers. Individually hand-crafted from durable steel the flowers will be an enchanting addition to your garden.

These colourful flowers will once again be available due to their popularity. The flowers will be displayed in the hospice gardens during the month of July creating a vibrant display. In early August we'd love you to come in and see the Forget-me-not display, collect your flower(s) and, if you wish, you will have the opportunity to talk to some of the hospice staff about our work.

When you dedicate a flower you will receive an acknowledgement letter along with a certificate of dedication through the post.

Through this simple act of remembering a loved one, and supporting your local hospice, you'll be helping to support others when they are at a really difficult time in their life.

Linda Arnold and her family have supported the Forget-me-not appeal for a number of years now in memory of her husband William (Billy) Arnold and shares her story, why she chose to support us in this way:

"My husband Billy was a patient at Woodlands Hospice in 2015. The staff and doctors showed us such great compassion, kindness, care and attention during his stay.

Always there with a smile to lift our spirits, they helped make a very difficult time easier to cope with. They became like family and nothing was too much trouble for them. They took away the worries of day-to-day life, allowing me to be a wife and not a full time carer. This enabled Billy and I to spend very precious time together."

"My family and I will continue to thank such wonderful and special people for their love and support and will always endeavour to help Woodlands Hospice in any way we can. We will once again be supporting the Forget-me-not campaign as it is so very close to our hearts and do hope that you will join us in doing so."

Your Forget-me-not (s)

I would like to dedicate a forget-me-not flower to:
